

# MD KAWSAR

## FULLSTACK DEVELOPER

### ABOUT

Hello there! I'm a FullStack Web Developer with a passion for crafting seamless, responsive, and user-friendly digital experiences. Expertise in modern web technologies, including HTML5, CSS3, JavaScript (ES6+), Python, Django, MySQL, and popular frameworks like Bootstrap, TailwindCSS, and React. Adept at transforming design mockups into pixel-perfect interfaces and optimizing site performance with backend. I'm still learning the latest technologies.
